

Lamb's Wedding Party Invitation

Sender: Jesus Christ and His Bride

Recipient: You, your family, and friends

Several decades of study, successes and mistakes, were necessary to finally - based on great thinkers and religious leaders of our time, I created courage and faith that considerably surpass my strength of human achievement - come through this, indicate the two fundamental Biblical characteristics to participate in such a grand and long-awaited event.

These are:

- 1) Being a Priest of God
- 2) Personally Overcoming the Beast

1) To be a Priest of God, one must first believe that the sacrifice of Jesus Christ on the cross was sufficient to pay for the sins of all those who beg God, on their knees, for the definitive forgiveness of their sins. And after realizing that your sin has been forgiven by God, continue praying and praying every day.

Second, and no less important, is sexual purity, whether by mutual consent (for married couples) or for single couples.

Chastity (at least ten days) provides the individual with an accumulation of mental and spiritual energy and sharpens reasoning for a more intimate and true relationship with our Creator Father, Almighty God.

2) To personally defeat the Beast (or "Monster" (a term used in other translations)), according to the explanations of Pastor Lamartine Pocella and other Christian pastors, the Beast is the Internet itself.

The enigmatic and "thread of the story" of the Book of Revelation. 666 is www.

Defeating the Beast, simply put, means uninstalling Facebook, Instagram, YouTube, WhatsApp, and other apps that have been taking up your time, attention, and your life.

During this period of adaptation without, for example, these apps, I suggest reading the first three books of the New Testament and also the Book of Revelation.
